

Dignity... Without Compromise

Olympian Legacy Gardens / "America the Beautiful" Chapel and Mausoleum - Pope St. John Paul II (Chapel or Garden), Caryatids, Our Risen Savior, True Love, and Garden of Tranquility Columbariums - featuring single, companion and most prominent family estate niches (for a family of four or eight from as low as \$1495 per person). We have breathtaking, meaningful choices available for mausoleum entombment or inurnment of cremated remains, for all faiths, throughout our facilities. Must see!

Virtually every life enriches us all.

We can't help but be proud of our accomplishments in serving, among others, our veterans and the Catholic families of our community through our memorialization facilities. The competition has very little, if anything, to offer for memorialization. We ask you to visit us and compare. There is no obligation.

That is why the Shrine of Remembrance, with its impeccable design and affordable, complete facilities, has held such a prominent role in the cremation, funeral, mausoleum and memorialization profession in Colorado Springs and the state of Colorado for so long.

We are honored to continue the tradition through this millennium by providing perpetual care, poise and reverence for your loved ones. They deserve the best.
